Upcoming Events

Parents Meeting

Saturday Sep 19 at 10am
on the second floor.

Parents Happy Hour

Saturday Oct 3, 5-8pm
Normandy Shores Golf
Club

Head of the Indian Creek

23rd Annual Regatta
Sunday Oct 11

**Installation of new
Hurricane Shutters**

The Center just completed installation of accordion hurricane shutters in a color that blends in with the aesthetics of the facility on the O'Connell Boathouse and the first floor of the main building. The second floor has impact resistant glass. The new shutters will allow the club to be storm-ready in a more efficient and timely manner, providing more time to secure other outdoor equipment.

Welcome 2015-2016 coaching staff

MBRC would like to welcome our new and returning juniors coaching staff for the 2015-2016 season. This year we have increased our coaching depth and experience, continuing to build on MBRC's rich heritage of developing student athletes. Lead by our Head Coach/Varsity Boys Coach Vladimir Matovic, our new staff members are Pararowing and Novice Girls Coach Stephanie Parrish, Novice Boys Coach Rob Saner and Novice Boys Assistant Coach Victor Grebennykov.

Returning to the program are Varsity Girls Coach Nick Nistal, Varsity Boys Assistant Coach Jim Green and Novice Boys Assistant Coach James Roden. These coaches have proven track records with the club and experience working as a team to progress our athletes.

We are confident that we will see our MBRC rowers train harder and advance further in the 2015-2016 season than ever before.

Pararowing News and Accomplishments

Our Adaptive rowers took the opportunity to participate in two regattas back to back this summer: US Rowing Masters Nationals on the Cooper River, Camden , NJ on August 13-15, 2015 and Bayada Regatta, the longest-running adaptive rowing regatta in the country, on the Schuylkill River, Philadelphia, PA on August 15,

MBRC Team Store!

For the first time ever we have an online store open year round so you can shop at your convenience.

Please support our club, a percentage of all sales will go towards MBRC's fundraising account.

2015. Their success put MBRC on the national map, attracting the attention of the Bayada organization who donated an adaptive single to the MBRC Adaptive program. Our rowers accomplished the following:

Masters Nationals, Camden, NJ

Luis Amaro: 2nd place in the Arms/Shoulders (AS) 1x
Helman Roman: 1st place in the Trunk/Arms (TA) Mix 2x
Jerrod Kerr: 3rd place in the AS 1x

Bayada Regatta, Philadelphia, PA

Luis Amaro and Jerrod Kerr won 1st place in the (AS) 2x
Luis Amaro: 2nd place in the (AS) 1x
Helman Roman: 1st place in the (TA) Mix 2x
Jerrod Kerr: 5th in the (AS) 1x

Barry University

Barry University women's rowing capped an outstanding 2015 season in the best possible way - in their ninth trip to the NCAA Division II Championships the Buccaneers won their first national championship in program history.

The Bucs won both the Varsity 4+ and 8+ finals, finishing ahead of runner-up Mercyhurst in both races on the Lake Natoma course. In the Varsity 8+ race Barry pulled away from the field to win the Grand Final by over eight seconds, claiming the National Championship in dominating fashion. Congratulations Bucs!

Summer Camp success for all!

Under the direction of Head Coach Vladimir Matovic, MBRC held our most successful and highest attended summer camp yet.

Four weeks of camp brought an average attendance of 50 kids each week. The kids were excited to learn and improve their skills and the additional income allowed us to purchase two lightly used

4+'s and two sets of sweep oars from UM for the club. A win-win for all!

Martinez Family Trophy Donation

The Martinez Family recently donated a trophy to US Rowing for the SE Youth Regionals Mens Lwt 2x Event.

The trophy honors Alex Martinez and Jules Kramer's first place win of the event in May 2015. It is named The Martinez-Kramer Trophy and it will be displayed in our club's Trophy Case until next year. Congratulations to Alex and Jules and best wishes for another successful season!
